

Welcome to the Bartha Apparel website! We are glad you are here. Bartha prides itself on the level of professionalism and service we provide to our clients. Part of that is how we present ourselves on show sites, in meetings and throughout the communities in which we serve. Please review the guidelines under each section to help you decide what Bartha apparel is appropriate for you.

## Show Blacks

Show blacks are always a good basic to have for any show. Keep in mind that all corporate shows will require show blacks unless otherwise noted. Show blacks should be used on show days. When we refer to show blacks, we are expecting black pants, black collared shirt, dark undershirt (if worn), dark shoes and dark socks. Please make sure blacks are not faded and pressed. Shirts should be tucked in and pants belted. Please use your best judgment when choosing your options. If we refer to a show that is more formal then please step up your show blacks to actual black dress pants, long sleeved button down with a black undershirt, black shoes, black socks and black belt.

## Office Appropriate

The office appropriate category has clothing that is casual to business casual and offers more color options. If we refer to a show being business casual, then it would be appropriate to wear a pair of khaki pants and a collared shirt. This is normally acceptable for breakout jobs or smaller scale association jobs.

Bartha Logos are displayed under each garment. You may be given an option to choose a full color logo or single-color logo. Please ask if you have any questions about this choice. If there is an option either would be appropriate but would be a personal preference.

## Logo Wear

Logo Wear is for set up, strike, working in the warehouse or casual events.

Bartha logos will mainly be screen printed. You may be given an option of what you prefer depending on the garment. Some garments may allow for embroidery and will display that option.

## Outerwear

All outerwear options will be offered in black or a dark gray.

Bartha Logos are displayed under each garment. You may be given an option to choose a full color logo or single-color logo. Please ask if you have any questions about this choice. If there is an option either would be appropriate but would be a personal preference.

## Accessories

We are offering a variety of hats, bags and other fun stuff. Order as you like. Logo options will be listed.

Note for ordering hats

\*An all-black, all-fabric hat with a black Bartha logo is the only hat that is acceptable to wear during a show call, if needed for utility purposes. If you have questions, please ask.
